

Does this describe you?

- Joyful
- Enjoy sharing
- Catholic
- Single
- Between the ages of 18 & 50
- Willing to live a life of sacrifice for the sake of love
- Willing to reside in South Florida

What do you think of the idea of being part of a new community of brothers who live the Gospel according to the Rule of St. Francis of Assisi?

- Raising a community from the bottom up
- You would be a builder
- Owning nothing, as Christ and St. Francis were poor
- Obedient to the Christ, the Gospel and the Pope
- Living a life of prayer and adoration

You would live in a family of brothers to form a family like the one made up of Christ and His Apostles.

- Teach everyone about the sanctity of life from conception to natural death
- Show the world that a child has the right to be born, regardless of any handicaps he may have
- Help children and parents in crisis pregnancies, so that their baby is welcomed and loved
- Then there are the sick and the elderly.
- They need brothers to bring them Holy Communion, to help them and their families cope with the loss of a loved one
- Help protecting the sick and terminally ill from the culture of death.
